1. The reference recently changed the policy regarding the use of Clipper Class air travel for foreign travel. Under the provisions of the policy, the traveler may elect to use Clipper Class service in lieu of taking a rest stop while enroute PCS.

2. If Clipper Class is elected by the traveler then the commuted rate applicable to PCS travel should be adjusted downward to eliminate costs pertaining to the rest stop. For travel to the Far East per diem and taxi fares for a rest stop [REDACTED] approximate \$100.00 for each full per diem traveler and \$50.00 for each dependent under 11 years of age.

3. We request SSA/DDA approval to adjust the commuted rate for PCS travel downward by the amounts specified in para two above whenever the traveler elects Clipper Class service in lieu of taking a rest stop.
